**THE LAST DAY**

**FOR MEN NOW IN THE ARMY TO RETAIN THEIR PRESENT GRADES BY REENLISTING...**

Men now in the Army who reenlist before February 1 will be reenlisted in their present grade. Men honorably discharged can reenlist within 20 days after discharge in the grade they held at the time of discharge, provided they reenlist before February 1, 1946.

There's a long list of attractive reenlistment privileges in the new Armed Forces Voluntary Reenlistment Act of 1945. The ability to keep your present grade is only one of them, but this privilege expresses on January 31.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you. If you'll read them carefully, you'll know why a job in the new peacetime Regular Army is being regarded today as "The Best Job in the World."

**HIGHLIGHTS OF THE NEW REENLISTMENT PROGRAM**

1. Enlistments for 1½, 2 or 3 years. (Latter enlistments permitted for men now in Army with 6 months' service.)

2. Up to 50 days' paid furlough, if they reenlist within 20 days after discharge and before February 1, 1946.

3. 4. The best pay scale, medical care, food, quarters and clothing in Army history.

5. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.

6. 7. A 30-day furlough every year at full pay.

8. 9. Option to retire at half pay for life after 20 years' service—increasing to three-quarters pay after 25 years' service. All previous active federal military service counts toward retirement.

10. 11. Family allowances for the term of enlistment for dependents of men who reenlist before July 1, 1946.

12. 13. Opportunity to learn one or more of 200 skills and trades.

14. 15. Choice of branch of service and overseas theater in the Air, Ground or Service Forces on 3-year enlistments.

**NEW PENSION BILL FOR WORLD WAR I WIDOWS AND CHILDREN**

Major D. S. Bryan, County Service Commissioner, states that under provisions of Public Law No. 483, 78 Congress widows and children of veterans of World War I may be paid pensions.

The measure extends coverage to the families of virtually all First World War veterans, since it provides pensions regardless of cause of death. Previously, pensions were allowed widows and children only (1) if the veteran died of a disability connected with his war service (2) if he died of some other cause but had been disabled to at least a small degree of a service-connected disability.

It is felt that there are a number of World War I widows in this county who may be entitled to this benefit. Those interested are urged to contact Major Bryan and he will be glad to discuss the matter with them personally and assist them in filing claims.

Lack of space prohibits the full text or provisions of the bill. All who believe they may have such a claim or any other claim are invited to contact the Service Commissioner at his office in the court house.

### WM. BORDERS PRAISED BY NAVY SECRETARY

The following letter from Secretary of the U. S. Navy James Forrestal was recently received by William Borders, son of Mr. and Mrs. R. R. Borders:  
My Dear Mr. Borders: I have addressed this letter to reach you after all the formalities of your separation from active service are completed. I have done so because, without formality but as clearly as I know how to say it, I want the Navy's pride in you, which is its privilege to express, to reach into your civil life and to remain with you always.

You have served in the greatest Navy in the world. It crushed two enemy fleets at once, receiving their surrenders only four months apart. It brought our land-based airpower within bombing range of the enemy and set our ground armies on the beachheads of final victory. It performed the multi-tasks necessary to support these military operations. No other Navy at any time has done so much. For your part in these achievements you deserve to be proud as long as you live. The Nation which you served

### RETURNING VETERANS MUST HAVE SOCIAL SECURITY CARDS

A veteran returning to a civilian job in commerce or industry will need a Social Security Card when he goes to work, declared Harry N. Scott, manager of the Dothan Social Security Board office. If his card was lost or misplaced while in service, a duplicate, or an original card if he did not have one before going to war, may be secured at no cost by applying at the nearest Social Security Board field office. Any Post Office will give the address of the office serving his territory. "If he had a card before going to war," Mr. Scott said, "he should not get a new number. The same number he had before entering the service is the number he should now have if he and his family are to get all old-age and survivors insurance benefits to which they may be entitled in the future."

A PEOPLE DELIVERED

LESSON TEXT—Exodus 6:8-12:17

GOLDEN TEXT—I will trust, and not be afraid, for the Lord Jehovah even the Lord, is my strength. Isaiah 12:2.

"Is thy God able to deliver thee?"  
was the question asked of Daniel in  
the lions' den (Dan. 6:20). It is in  
the minds and on the lips of many  
in every hour of crisis.

God is able to deliver. Moses  
found that out when in answer to  
his complaint that the Lord had  
done nothing for his suffering people  
(Exod. 5:22), the Lord revealed  
Himself as the One who was not  
only able but ready to take them  
out of their bondage.

L. God's Promise (6:8-9).

Moses was to remember that he  
was coming with the Eternal God  
who had done nothing for his suffering  
people (Exod. 5:22), the Lord revealed  
Himself as the One who was not  
only able but ready to take them  
out of their bondage.
